Andre van Heerden

241155

Revenge of the scripts

17 April 2025

INSTRUCTIONS

For this assignment, you are required to assess the contributions made by your group mates using the given rubric. You will need to justify and comment on the marks that you would have allocated.

Group Member Name: Revenge of the script

Gaby norris 241143

Review Question	Mark out of 5
How would you rate the technical knowledge of the student in the content developed?	5
How would you rate their overall contribution towards the successful compilation of the application being presented?	5
How would you rate their time management skills overall?	5
How would you rate their contribution overall as a team player towards the compilation of the documentation and administrative issues of this project?	5
Rate their quality of work and professionalism.	5
Total Marks	25
Comment: Gaby was a huge help in the project and I feel like our group had great chemistry and there was always someone who knew what to do if others had problems with their work.
